

# HORNER JR. HIGH SCHOOL

August 2018

To: All Horner Parents/Guardians  
From: Mrs. Holmes, Principal  
Re: Pick Up and Drop Off of Students at Horner

## Parking Changes at Horner:

Due to the construction of the Horner Middle School, we have made changes to the 2018- 2019 Drop off/ Pick Up. We ask that you observe the following procedures to ensure that all students are safe:

- Students are to be dropped off along the sidewalk on Irvington Avenue, on the Big Gym side. Orange cones will be placed in the street to create a separate drop-off lane. Students are to exit cars and walk along the sidewalk into the campus. Do not pull into the parking lots to drop off or pick up students.
- All parking lots will be reserved for School Staff and School Buses, including the parking lot next to the Big Gym. This is a temporary restriction until construction is completed.
- As always, do not drop off or pick up students along Chapel Way. This area needs to remain free for student pedestrians, buses and emergency vehicles.

Please remember that students are supervised between 7:45 am and 20 minutes after school releases.

Thank you for your patience and understanding as we undergo these changes together.
