(FREMONT, CALIFORNIA) Robert Turbin, Super Bowl winner and starting running back for the Indianapolis Colts, is proud to announce the First Annual Spring Ball Charity Basketball Game to be held at Irvington High School in Fremont. The game will feature the current Irvington varsity squad against a team of Irvington alumni, including Turbin and special guest Frank Gore, five-time NFL Pro Bowler and member of the 10,000 Rushing Yards Club. Tip-off is at 4:30pm for Freshman vs. Sophmores and 7:10pm for Alumni vs. Varsity on Friday, March 24. \$5 Online \$7 at the Door

All proceeds from the event will be split evenly between Irvington High School and Turbin's Runnin4U Foundation, which helps to enrich the lives of those afflicted with Multiple Sclerosis (MS) and Cerebral Palsy (CP).

\$3 raffle tickets will be sold for the chance to participate in free throw, three-point and half court shooting contests for prizes including autographed merchandise and other items.

"It's important for me to stay grounded," said Turbin. "I want to give back to the people who helped make me who I am today. My hope is that the money made for the school will go to help other athletes better themselves through sports and achieve their dreams. And of course the support for the Foundation is also crucial to helping a cause that's dear to my heart. It's really a win-win for everybody involved and I can't wait to get out there on the court and play."
