

ON-LINE MEAL PREPAYMENT NOW AVAILABLE

Fremont Unified School District's Child Nutrition Services Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. Prepayments are for full meals only, no ala carte service.

This service also provides parents the ability to view your child's account balance through a secure web site called MyNutrikids.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends.

Also, parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

To access these services:

1. Simply go to the district web site at www.fremont.k12.ca.us and look in the Quick Links section on the front page
2. Click on MyNutrikids Online Meal Payment
3. From this site you will create your account and add money to your child's school meal account. Before you begin you will need:
 - Your child's name as registered at the school
 - School ZIP code
 - Student ID number (look on your child's student body card or contact the school). **The student ID must be nine digits in length. Add zeros at the beginning of the number if your child's student ID number does not have nine digits.**

Click on FAQs (Frequently Asked Questions) at top right of page to answer start up questions.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through a major credit or debit card or an existing PayPal account (this method may take 3-10 days to deposit into your child's account).
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction. Fremont Unified School District will not profit from the use of this site.

We are very excited to offer these new services. However, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via check, which should be made payable to Fremont USD-CNS, or cash. Please write your **child's full name** on the check.
