Student who intends to participate in athletics must see the principal in charge of athletics immediately if:

1. Transferring from one school to another school
2. Changing their residence while attending current school
3. Planning to transfer to another school without changing their residence.

Failure on the part of an athlete to report his/her current legal residence or change of residence to the Assistant Principal in charge of school athletics may result in:

1. Athletic eligibility status for the athlete for at least one calendar year
2. Forfeiture of all contests won by the team on which an ineligible student played

As the person(s) having legal custody of the above named student, in all matters pertaining to school attendance during this school year, I understand that if my student changes residence, I am responsible to immediately inform the principal in charge of athletics of the school that the student is currently attending.
