

FREMONT UNIFIED SCHOOL DISTRICT MEASURE I

Quality Education Continuation Measure

FREQUENTLY ASKED QUESTIONS & ANSWERS

Q: What is Measure I?

A: Existing voter-approved funding that helps maintain quality local education is scheduled to expire. To address this, on March 9th the Fremont Unified School District Board of Education unanimously placed Measure I on the June 2016 ballot. If enacted, Measure I renews expiring voter approved funding at the rate of \$73 per parcel for nine years, to help maintain quality education in local schools.

Q: What is the background on this issue?

A: Since 2010, Fremont voters have provided local funding to help maintain quality education in Fremont schools. The District's Parcel Tax Oversight Committee, has consistently reported all funds as having been spent properly to benefit all District students. No funds have been spent on administrators' salaries or pensions. If renewed, Measure I continues voter-approved local funding to maintain quality education.

Q: How does Measure I help maintain quality education in local schools?

A: Providing a solid educational foundation in math, science, reading and writing is a top priority in Fremont schools. If renewed, funding from Measure I would continue providing funds to maintain small class sizes, student safety, teachers and the math, science reading and writing programs that are core to our educational mission.

Q: How does Measure I help prepare our students for College and 21st Century jobs?

A: It is critical our local schools continue to provide 21st century education. Measure I extends expiring voter-approved funding to support technology and retain quality teachers, preparing students for college and the workforce.

Q: What would Measure I continue to fund?

A: If renewed, Measure I provides continued funding to:

- Maintain math and science programs
- Maintain reading and writing programs
- Retain quality science teachers for 21st century science education
- Attract and retain highly qualified teachers
- Relieve overcrowding in classrooms
- Keep school libraries open
- Protect student safety and security

Q: How can I find out more information?

A: For more information about Measure I visit: www.fremont.k12.ca.us. If you have any specific questions feel free to contact the District at fusdweb@fremont.k12.ca.us
